The urge to ban: 10 questions to ask first

written by Clive Bates | 1 May 2018

Clive Bates from The E-Cigarette Summit U.S. 2018

My presentation from the E-cigarette Summit (US) 30 April 2018 – video (top) and PowerPoint slides (below).

E-cigarette Summit US presentation 2018 from **Clive Bates**

For more information, see two blog postings on the moral panics surrounding flavors and JUUL.

- The US media is losing its mind over vaping and Juul – the questions a credible journalist should ask
- Regulating e-liquid flavors – is the U.S. regulator more likely to do harm than good and how would it know?
